GUARANTEE & INDEMNITY

Customer Name:	
Customer ACN/ABN:	
Guarantor Name:	
Guarantor Address:	

On (insert date) _____, in consideration of the Company agreeing to supply Goods or Services to the Customer, I, the Guarantor, guarantee that the Company will be paid all moneys which the Customer owes to the Company at any time for any reason.

I indemnify the Company for any loss it suffers because any such money is not paid by the due date or cannot be recovered from the Customer for any reason. I agree that an amount under this Guarantee and Indemnity becomes payable as soon as the Company gives me a written demand for payment, and I agree to pay the Company that amount immediately.

In order to secure all payments for which the Customer may become liable to pay the Company, I charge as beneficial owner all present and after-acquired freehold and leasehold interests in land and all present and after-acquired personal property. I further agree that immediately upon a demand being made by the Company I must provide any information or duly executed document to enable the registration of the security given under this agreement, provide such information from time to time as may be necessary to maintain such registration, and do anything which the Company reasonably considers necessary to ensure the security is at all times enforceable, perfected and otherwise effective.

This is a continuing Guarantee and Indemnity, and my liability under it will not be affected by the Company giving time or any other indulgence to the Customer or by the fact that the money cannot be recovered from the Customer, another guarantor or anyone else. If the Company considers it relevant for the purposes of assessing whether to accept this Guarantee and Indemnity in respect of the Customer's application for commercial credit, I agree to the Company obtaining a credit report containing personal credit information about me, from a credit reporting agency, in relation to that purpose.

In this document "**Company**" means whichever of D. & N. Engineering Supplies Pty Limited ABN 25 001 453 363, Morris Technology Group Pty Ltd t/a "Pritchard Electronics" ABN 18 143 689 445 and the Trustee of the Morris Family Trust ABN 73 383 170 955 who supplies the relevant Goods or Services to the Customer.
